Werewolf Wild West Companion Pdf To Excel

There setting can be a unique taste but WOD had a werewolf wild west setting One of my friends loved it and tried to get us to basically replay a mix of Tombstone and The Quick and the Dead.. I always loved WOD mechanics, though they may not be as simple what you were looking for.. Wyrmsfoe is a database of all Werewolf: the Apocalypse Gifts (except Wild West & Dark Ages) in an easily searchable format.. Great for an action story though. This site is a personal project and is intended as a game aid for players of Werewolf: the Apocalypse who love it as much as we do.
